## Vision System Option

Web Techniques can integrate almost any vision solution you need into our standard WT-30LCI or WT-35 family of rewind systems. Do you need simple 1D barcode validation? No problem. Do you need serialized vision validation? No problem. Do you need full “golden label” validation? No problem. Just give us a call and we will walk through your wants and needs to provide a custom fit integrated solution for your production requirements.

### FEATURES:

- For use on new WT-30LCI or WT-35 Series Systems.
- Barcode validation all the way through full “golden label” validation.
- Call us we have a solution to fit your needs!
